ORGANIZING & PROGRAM COMMITTEES

General Chair
David H.C. Du, University of Minnesota, USA

Program Chair
Wu-chi Feng, Portland State University, USA

Program Vice Chairs

Algorithms and Theory
Michael Bender, SUNY Stony Brook, USA

Data Management and Data Centers
Ling Liu, Georgia Institute of Technology, USA

Distributed Operating Systems and Middleware
Ashvin Goel, University of Toronto, Canada

Fault Tolerance and Dependability
Chris Gill, Washington University St. Louis, USA

Network / Internet Protocols and Applications
Baochun Li, University of Toronto, Canada

Security and Privacy
Wu-chang Feng, Portland State University, USA

Sensor Networks and Ubiquitous Computing
Chenyang Lu, Washington University St. Louis, USA

Wireless and Mobile Computing
Jie Liu, Microsoft Research, USA

Program Committee Members
(Please see the conference web page)

Workshops Co-Chairs
Howard Ho, IBM Almaden, USA
Dongyan Xu, Purdue University, USA

Awards Co-Chairs
Tarek Abdelzaher, University of Illinois at Urbana-Champaign, USA
Franco Davoli, DIST-University of Genoa, Italy

Local Arrangements Chair
Abhishek Chandra, University of Minnesota, USA

Registration Chair
Carrie Stein, The Ohio-State University, USA

Finance Chair
Feng Qin, The Ohio-State University, USA

Publicity Co-Chairs/Webmaster
Xiuzhen Cheng, The George Washington University, USA
Abdelmajid Khelil, Technical University of Darmstadt, Germany

Publication Chair
Wang-Chien Lee, Pennsylvania State University , USA

International Liaison Co-Chairs
Boi Faltings, Ecole Polytechnique Federale de Lausanne (EPFL), Switzerland
Youjip Won, Hanyang University , Korea
Jon Weissman, University of Minnesota, USA

TCDP Chair
Jie Wu, Temple University, USA

Steering Committee Chair
Mike Liu, The Ohio State University, USA

CALL FOR PAPERS

ICDCS 2011

The 31st International Conference on

Distributed Computing Systems

Minneapolis, USA
June 21-24, 2011

http://www.cse.ohio-state.edu/icdcs2011

IEEE COMPUTER SOCIETY

IEEE

Sponsored by

The IEEE Computer Society Technical Committee on Distributed Processing

SCOPE

The conference provides a forum for engineers and scientists in academia, industry and government to present their latest research findings in any aspects of distributed computing. Topics of particular interest include, but are not limited to:

Algorithms and Theory
Data Management and Data Centers
Distributed OS and Middleware
Fault Tolerance and Dependability

Network/Internet Protocols and Applications
Security and Privacy
Sensor Networks and Ubiquitous Computing
Wireless and Mobile Computing

WORKSHOPS

Workshops will be held in conjunction with the conference. Workshop proposals should be submitted to Workshops Co-Chair Dongyan Xu (dxu@cs.purdue.edu) by **October 10, 2010**. Notification of acceptance will be made by October 15, 2010. Please see the conference web page for details.

PAPER SUBMISSION

Form of Manuscript: All paper submissions should follow the IEEE 8.5" x 11" Two-Column Format. Each submission can have 10 pages plus up to 2 over-length pages. If the paper is accepted for publication, an over-length fee will be charged for each of the over-length pages in the final camera-ready version. Papers will be subject to a single-blind review process. Thus, author information does not need to removed from the submission.

Electronic Submission: Submissions will be handled via the conference web page.

The proceedings of the conference and the workshops will be published in CDs by the IEEE-CS Conference Publishing Services (CPS).

IMPORTANT DEADLINES

Paper Submission	**11:59PM EST USA, November 23, 2010 (Hard Deadline)**
Author Notification	**February 7, 2011**
Final Manuscript Due	**March 14, 2011**

For further information, please contact General Chair, Prof. David Du at du@cs.umn.edu or Program Chair, Prof. Wu-chi Feng at wuchi@cs.pdx.edu
